Other information that you would like to share, which you feel might be of help to better serve your family:

How did you learn of BCEI?: _____

BCEI is non-profit and no one receives any payment for their time and efforts. It is only with all of us working together that we can make our group run smoothly. There are many jobs to fill each year and each member has a God-given talent. Please indicate any area in which you, your children or your teenagers might be interested in helping with.
