

BCEI Student Council Application

The BCEI Student Council is a selected body of students who will help to build a bridge between the organization and the students. Serving on the Student Council is a prestigious honor and it will provide opportunities for leadership development, involvement with other BCEI students, and provide status on your resume or college application.

Student Council members will help the organization by completing projects and tasks when called upon. Council members will serve fellow students and their school by acting as a liaison between the students and the BCEI Administration.
